

- Attended 40<sup>th</sup> edition of the Windsor Workshop 2024 and recruited new members in the PG Forum.
- **PGR representatives** in various sub-comms/working groups

ED&I – Ayyappadas CS (Oxford) | Professional – Varsha Natarajan (Ulster) | Research & Outreach - Aaditya Kapil (Northumbria)  
Website Officer – Adam Hartley (QMUL) | Communication Officer – Jayesh (Aberystwyth)

- **PGR webinar** series initiated: **Geomorph Talks: Methods, Models & More (GT-M<sup>3</sup>)** - This series aims to provide postgraduate students, ECRs, and the wider geoscience community with insights into key applications and methodological approaches in geomorphology. It is planned to kick-off from **September 2025**.
- **PGR Blogs** initiated: an exclusive blog section within BSG website for - hosting various fieldwork/international/national conference/workshop experiences (*especially BSG funded*), published research papers (in ESP&L and other journals), new methods, data etc.
- **Proposal** for creating a **new section** within BSG's website for **Geomorphological Photo/Map/Information e-archive** for hosting various geomorphological photos/maps with description card.
- Animated posters/cartoons for geoscience communications. (*Both can be done in collaboration with Outreach & Education sub-comm.*)
- Looking forward to the **41<sup>st</sup> Windsor Workshop** - 01-04 December 2025.

Jayesh Mukherjee  
**BSG PG Forum Chair**
